

Aquablend Key Lockable Hinged Lid & Surround - Stainless Steel - 430mm

Stainless steel triangle style key lockable hinged lid and wall flange surround suitable for Aquablend 430mm x 500mm cabinets - Stainless Steel Brushed Finish.

Allows depth adjustment to cater for different TMV cabinet depths. Wall flange surround covers intersection between wall finish and in-wall cabinet, providing a clean attractive finish.

The lid can be removed using the spring hinges, allowing easier access to the cabinet during service and maintenance.

Standard powder coated and custom colours are available.
