

# Care 700 Series Toilet S-Trap Raised Height

**CARE1546-RH** is a freestanding close coupled toilet, designed with your comfort in mind. Featuring a raised height pan, this toilet provides greater ease and convenience for users.

Perfect for those seeking independent living — both assisted and unassisted — elderly individuals, or people with disabilities or mobility challenges, this toilet offers a comfortable solution for everyday needs. The elevated height reduces the effort required to sit down or stand up, making it an ideal choice for those recovering from hip or knee surgery.

The sleek design seamlessly integrates into any bathroom décor, while the innovative smooth curves simplify cleaning and help prevent the buildup of dirt, improving hygiene. The toilet is constructed from high-quality vitreous china with **Ceramicplus (C+)** for durability, longevity, and quick cleaning — ensuring a reliable and functional bathroom fixture for years to come.

Featuring smarter **Hygienic Flush** open rim flushing for improved hygiene and easier cleaning, and a space-saving 45-degree installation, the **CARE1546-RH** is ideal for Aged Care, Independent Living, and Residential applications.

## Optional features include:

- Single or double flap CARE seats
- Double flap soft-close seats in a range of colours
- Optional support arms
