

Concealed Spindle Hose Tap Extended with Non-Return Valve - Jumper Valve

Enware's CS tapware features a dress skirt that conceals the spindle for aesthetics and easier cleaning.

KEY FEATURES

- High quality construction from dezincification resistant (DR) brass with durable chrome plated finish
- Vandal-resistant internal locking ring secures the handle and requires the supplied special key to release
- Serviceable with all wearing components replaceable, thus providing an even longer life
- Blue (Cold), Red (Hot) or Yellow (Warm) coloured indicator button. (3 colour indicator buttons included)
- Heavy duty bright chrome
