

Wellbeing Fold Down Shower Seat 600mm - Stainless Steel

EC600SEATSS

Wellbeing shower seats fold up and out of the way for convenience. They are specially designed for the disabled, handicapped and elderly.

The white shower seat provides support, enabling persons with limited mobility to shower safely while sitting comfortably.

FEATURES

- The front support legs provide extra stability, while the drain slots allow adequate drainage.
- The shower seats are made of durable HDPE and have drain slots so water won't collect on the seat and cause a hazard.
- Maximum static load: 130kg

Stainless Steel

Fixing screws are not supplied with product. Ensure grab rail is installed on a solid wall surface with firm wall backing using appropriate fixing method. Structural engineers or licensed tradespersons should be consulted for appropriate advice on suitability of the fasteners and wall structure before affixing or installing any Enware products. Enware does not provide any warranty in relation to bolts, screws or other fasteners used with Enware products.

NOTE: Enware Australia advises:

1. Due to ongoing Research and Development, specifications may change without notice.
2. Component specifications may change on some export models.
3. Refer to Warranty Statement for warranty details - www.enware.com.au/warranty
