

Emergency Eye/Face Wash Pedestal Mounted - Hand Operated

Enware's emergency eye/face wash units help to flush contaminants and irritants from eyes and facial area. Stainless steel construction provides superior durability and reliability.

KEY FEATURES

- Independently tested to comply with ANSI Z 358.1 and AS 4775
- 316 Stainless steel bowl, stay-open ball valve and hand actuator
- Freestanding for stand-alone operation
- Hand push activated eye/face wash with integral auto-open dust covers
- Eye/face wash features Vertech Technology where dedicated eye wash and independently angled face wash streams deliver optimum coverage
- Zero velocity apex point provides more comfort and control for effective flushing of eyes with soft aerated flow
- High visibility yellow powder coated push handle
- Integral volume adjustment control
- Powder coated options available for extra chemical resistance
