

# Change Table - Adjustable Height

Designed for applications when a person will be changed or attended to in a laying position. Ideal for youth and child applications, the adjustability improves safety and reduces the OHS risks for carers.

## EP-R8673000

### FEATURES

- Remote controlled, low voltage (24V)
- Firm, flat profile bench top
- 700mm of height adjustability (300-1000mm)
- Integrated gas cylinder enables bench to be easily folded against the wall when not in use to maximise floor space
- Weight load capacity 75kg
- For dry area use only

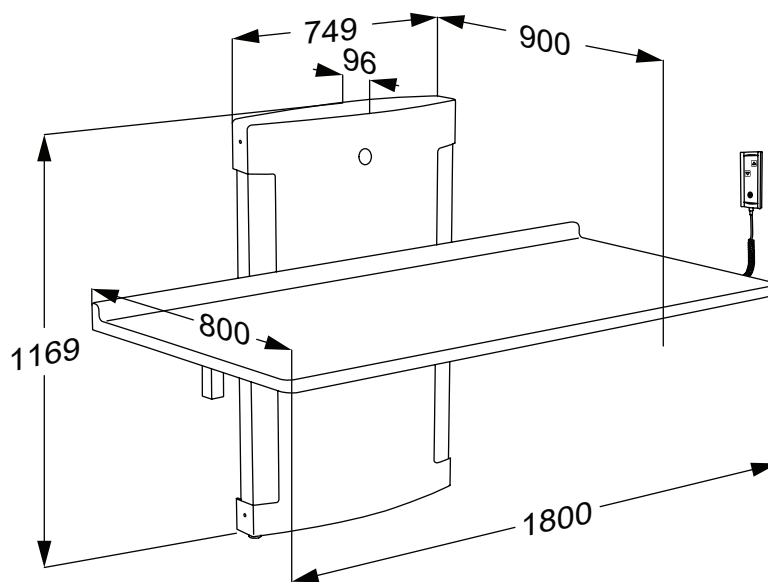

### OPTIONS

- Guard Rail **EP-RB1922000**
- 1400mm length for children only applications - contact your Enware representative for more information
