

Food Service Hose 15mm Black 650mm

Built to handle the demands of busy food service environments, this replacement pre-rinse hose is a dependable solution for maintaining the performance of commercial spray units. Its flexible design provides comfortable handling during extended use, while the robust construction stands up to the wear and tear of fast-paced kitchen operations. Suitable for a wide range of commercial and institutional applications, it offers a simple and reliable replacement option that helps keep kitchen workflows running smoothly.

KEY FEATURES

- Heavy-duty construction for busy commercial and institutional kitchens
- Durable PEX inner hose provides flexibility and long-term performance
- Braided reinforcement with smooth outer cover for added strength and wear resistance
- Dual Swivel joints minimise twisting and improve hose manoeuvrability
- Lead-free brass connections for safe, reliable operation
- Easy replacement installation compatible with most commercial pre-rinse spray assemblies
- Built for daily use in high-demand food service environments
