

Food Service Hose Kit 1000mm with Hose, Spring, Spring Retainer & Hook

Designed as a complete replacement solution for commercial pre-rinse spray assemblies, this kit includes a replacement hose, spring retainer and adaptor for fast and convenient installation. Ideal for busy food service environments, it helps restore reliable operation while reducing the need to source individual components. Built for durability and everyday performance, it is suitable for a wide range of commercial and institutional kitchen applications.

KEY FEATURES

- Complete replacement kit including hose, spring retainer and adaptor
- Heavy-duty construction for busy commercial and institutional kitchens
- Durable PEX inner hose provides flexibility and long-term performance
- Braided reinforcement with smooth outer cover for added strength and wear resistance
- Dual swivel joints minimise twisting and improve hose manoeuvrability
- Lead-free brass connections for safe, reliable operation
- Easy replacement installation compatible with most commercial pre-rinse spray assemblies
- Built for daily use in high-demand food service environments
