

# Food Service Ultra Spray Soft Rinse Trigger Spray

A food service pre-rinse spray gun designed to meet the high expectations for products used in commercial kitchens, restaurants, cafes, supermarkets and food outlets. Suitable for all spray and rinsing applications requiring a fixed, soft spray stream. Flow regulated to 5lpm, to provide a minimum of misting and maximum water efficiency.

## KEY FEATURES

- Fixed soft shower spray, perfect for washing delicate chinaware, glassware or fish, fruit and vegetables
- Minimum of splashing and misting
- Easy to operate self closing hand trigger
- Water and energy efficient

## PRODUCT CODE

FS729SS

Food Service Ultra Spray Soft Rinse Trigger Spray

Products are to be installed in accordance with the Plumbing Code of Australia and AS/NZS3500. Reference should also be made to the Australasian Health Facility Guidelines (AHFG), ABCB and Local Government regulations when considering the choice of, and the installation of these products.

This product is compliant with the Lead Free requirements of NCC Volume Three.

Due to ongoing Research and Development, specifications may change without notice. Component specifications may change on some export models.
