

Leva Type 51 Wall Mounted Adjustable Mixing Set - 1/4 Turn Ceramic Disc

The Leva range combines outstanding quality with functional, beautiful design. Ideal for Hospital/Health and Aged Care Clinical applications, providing the benefits of easier reach and control. The 150mm lever allows hands-free elbow operation.

Tap body and handles are designed to reduce bacterial capture points, and make cleaning easier.

This product is suitable to be used in a Type A or Type B clinical hand wash application. Surgeon tapware is suitable as a surgeon set or surgeon mixer.

Adjustable inlet centres allow easy retrofit to existing pipework.
