

Delabie TempoStop Time-Flow Basin Pillar Tap - Button

Enware's time flow tapware range helps to save water with economical WELS ratings minimising water and energy wastage. The easy to use range with auto shut-off ensure taps are turned off after use.

KEY FEATURES

- Push button activation
- Hygienic no-touch auto shut-off
- 7 or 15 second* flow time options
- Vandal resistant, chrome plated solid brass construction

* Flow times are indicative only and may vary depending on water supply pressure and flow conditions

PRODUCT CODES

TFC745	15 Seconds (+/-5)
TFC745P	7 Seconds (+/-2)

Products are to be installed in accordance with the Plumbing Code of Australia and AS/NZS3500. Reference should also be made to the Australasian Health Facility Guidelines (AHFG), ABCB and Local Government regulations when considering the choice of, and the installation of these products.

This product is compliant with the Lead Free requirements of NCC Volume Three.

Due to ongoing Research and Development, specifications may change without notice. Component specifications may change on some export models.

Refer to warranty statement for warranty details - www.enware.com.au/warranty.

TECHNICAL DATA

Recommended Pressure	250kPa – 300kPa
Working Pressure Range	100kPa – 500kPa
Maximum Recommended Temperature	45°C
Maximum Working Temperature	70°C
Flow Time	15 seconds *Flow times are indicative only and may vary depending on water supply pressure and flow conditions
Flow Rate	4.5L/min
Inlet Connection	1/2" BSP (15mm) MI
Valve Type	Time Flow
Operating Force	47N @ 300kPa
Finish	Chrome
* Enware-Delabie time flow tapware uses mechanical technology and flow times may vary under different flow and pressure conditions	
* TFC745 models have flow adjustment function to allow balancing of flows across multiple taps - for example on a trough or group of basins flow can be adjusted to ensure upstream and downstream flow equally, especially when all are in use (stadium and public washrooms).	
* Flow adjustment Allen screw is located under the indicator button, or under the lever on lever action models.
