

School Pattern Hose Tap MI 15mm - Jumper Valve

VP305M

Enware's vandal resistant School Pattern tapware features an easy to clean design. Constructed from dezincification resistant (DR) brass with durable chrome plated finish. The handle features an internal locking ring securing it to the spindle and requires a special key to remove. For areas where there is a higher risk of vandalism choose the School Pattern non-removable (VPN), which utilises a handle permanently fixed to the spindle.

KEY FEATURES

- Vandal resistant school pattern handle
- Jumper valve
- 1/2" BSP male inlet, 3/4" BSP outlet connection
- Blue (Cold) indicator button supplied standard. Red (Hot) or Yellow (Warm) available on request. Specify when ordering.
- High quality construction with durable chrome plating
- Serviceable with all wearing components replaceable, thus providing an even longer life
