

Key Operated Hose Tap 15mm MI with Key Handle - Jumper Valve

Provides control over water systems exposed to the public by using a removable key when isolating or adjusting the valve. The key operated vandal resistant range is made from dezincification resistant (DR) brass with durable chrome plated finish.

KEY FEATURES

- Removable key handle protects against unauthorised use and water wastage
- Jumper valve
- Includes key handle (rough brass finish)
- 1/2" BSP male inlet, 3/4" BSP outlet connection
- High quality construction with durable chrome plating
- Serviceable with all wearing components replaceable, thus providing an even longer life
