

Wellbeing Clinical Wash Basin 550mm

Wellbeing Clinical 550mm wall hung hand wash basin is specially designed to meet the AusHFG requirements for a Type B Clinical basin and is compatible with Enware healthcare tapware. The bowl shape avoids splashing and provides effective water drainage. Fully glazed, easy to clean surface for improved hygiene and infection control with an optional Shroud available.

This basin is suitable for multiple environments such as commercial, health and Aged Care and can be installed in AS1428.1 applications.
