outlets, shower roses and flow control devices

QUALITY, PERFORMANCE AND DURABILITY
WATER EFFICIENCY
CUSTOM SIZING

- Outlets, Spouts and Accessories
- Showers and Rails
- Miscellaneous Products
outlets, spouts and accessories

Superior quality outlets made right here in Australia; designed to provide superior performance in every application.

Crafted from DR (Dezincification Resistant) Brass, with a wide range of attachments to meet your application needs.

Enware’s extensive range of outlets is also enhanced by our ability to tailor make spouts to meet your specific requirements.

ENWARE’S OUTLETS ARE AVAILABLE IN TWO DISTINCT STYLES:
- Streamline Cache Range – smooth line and concealed aerator
- Classic Range – traditional style with a M22 thread for a wide range of attachments

water efficiency

Enware’s outlets can be combined with Enware tapware for 6, 5, 4 or 3 WELS ratings — please refer to our individual tapware sections.

Choose from WELS 6 star (4lpm), 5 star (6lpm) or 3 star (8lpm) water efficiency ratings. 3 Star is supplied standard if not specified at time of order.

Non-flow controlled is available for applications where WELS is not required such as Baths and Laundry Tubs.

*Enware products are to be installed in accordance with AS/NZS3500. Note: Heated Water Supply AS/NZS 3500.4: For all sanitary fixtures used primarily for personal hygiene purposes are to deliver heated water not exceeding: a) 45°C for early childhood centres, primary and secondary schools and nursing homes or similar facilities for young, aged care, sick people with disabilities b) 50°C in all other buildings.

Enware Tapware is manufactured to the exacting WaterMark standard AS/NZS3718 and AS4020.
Enware’s Australian made outlets are designed to provide superior performance with options to suit every application. Our local manufacturing means spouts can be customised to suit your specific requirements. Pressure compensating flow control technology options are available, when combined with Enware tapware we can meet 6, 5, 4 and 3 Star WELS ratings for water efficiency.

- 16 gauge brass construction
- Dual o-ring seal
- Bespoke options available – contact your Enware representative
